

State Fair Allotment Asked For

Proposal to Spend \$25,000 of Earnings to Buy Additional Land

JEFFERSON CITY, Sept. 11.—(P)—A \$25,000 appropriation for the Missouri State Fair to buy an adjoining tract of land and refurbish its buildings was introduced today by Sen. Roy D. Miller (R) of Columbia, chairman of the senate appropriations committee.

He said the money would come from unexpectedly large earnings of the fair this year. Part of it would be used to buy 40 adjoining acres for a parking and camping site.

Ernest W. Baker, secretary of the Missouri State Fair, said this afternoon that under the legislative appropriation the State Fair is permitted to use up to \$75,000 of its earnings, and so successful was the fair this year that the proceeds far surpassed that figure. Unless the money is used for maintenance of buildings or grounds, or for some State Fair purpose before the first of December it diverts to the general revenue fund.

Need Parking Space

Mr. Baker said the purpose of the bill introduced by Senator Miller is to allow the fair to spend an additional \$25,000 of its earnings to purchase an additional forty acres, at the northwest corner of the grounds, on the south side of Sixteenth street, and to recondition some of the buildings.

The ground, he said, will soon be badly needed for parking space. It is owned by D. S. Lamm.

Police Ball September 12

The Sedalia police department, Wednesday night, September 12, will hold its ninth annual Policemen's Ball at convention hall Liberty Park. Funds obtained through their annual affair are divided among the police officers to help defray expense of replacements to their uniforms and other police equipment each officer needs.

Leroy Hackman's band, from Jefferson City, which carries two vocalists, a boy and girl, will again play for the dance. The orchestra is well known throughout Central Missouri as one of the leading dance bands.

Police officers have been canvassing the city selling their tickets to the dance and already nearly 1,000 tickets have been disposed of. It is hoped they can reach the 1,500 mark and pass the 1,400 ticket sales of last year.

There will be a number of visiting police officers from surrounding cities, and officers from Ft. Leavenworth, Kansas. Colonel Waggoner of the State Highway Patrol and several State Patrolmen also plan to attend.

Child Hurt in Fall From Car

Carolyn Ryan, four year old daughter of Mr. and Mrs. John Ryan, R. F. D. No. 5, received a severe head injury this morning when she fell from her father's sedan, near her home. The little girl received a laceration on the right side of her head and on the forehead which necessitated the taking of several stitches. She also suffered shock.

She was taken to the office of Dr. John B. Carlisle, who rendered medical treatment.

Mr. Ryan stated he was driving between twenty-five or thirty miles per hour, and his daughter evidently tried to shut the door, touched the door latch and was thrown from the car to the road.

She was taken back to her home after being treated and was reported as resting well this afternoon.

Mr. Ryan is the Pettis county recorder.

Ration Points Off All Varieties Cheese

WASHINGTON, Sept. 11.—(P)—The OPA today removed all varieties of cheese from rationing effective at 12:01 a. m. Wednesday.

The agency took this action as the agriculture department removed all cheese controls following notice from the army that some military stocks of cheddar cheese can be used to meet requirements of foreign claimants.

Lieut. Stevens In Rome, Italy, Calls Mother

No mother in Sedalia was happier this morning than was Mrs. A. R. Stevens, 710½ South Ohio avenue, when she picked up the receiver of the telephone in her home at 7:20 o'clock and heard the voice of her son, Lieut. Harvey C. Stevens, calling from Rome, Italy. She had been told by the telephone company Monday afternoon she would probably have a call this morning.

Nervous and flustered as any mother would be on such an occasion Mrs. Stevens hurriedly asked, "Is there anything special you want to talk about?" "No," came the answer from her son, "I just want to talk to you."

He explained he was in Rome on a rest trip then the three minutes, which were gone only too soon, were spent largely on family news.

Mrs. Stevens said she was interested in time and asked what time it was there and learned it was about 2:20 o'clock in the afternoon.

While she found it necessary to ask her son to repeat something once or twice, the connection, she said, was fairly good.

Hits Car, Then Continues on

A hit and run driver of a maroon colored car, made good his escape after the car had struck the parked car of Lieut. George F. Messenger, 618½ West Broadway, about 11 o'clock Monday night. The car was parked in front of Lieut. Messenger's residence.

The car, evidently driven at a high rate of speed, was headed west on Broadway, and smashed into the Studebaker sedan of Lieut. Messenger which was parked on the north side of the street, headed east. The car first struck the right front fender, smashed the right rear door, and right rear fender. The rear bumper on the car also was bent down and twisted.

The hit-and-run car continued west on Broadway, at a fast rate of speed, according to a taxi cab driver who saw the car shortly afterwards.

Trooper Lloyd Amos, of the highway patrol, was going west on Broadway nearly a half hour later and noticed mud and dirt on the street. He stopped to investigate. Lieut. Messenger, who went to the window to see what was going on, was motioned to come to his car by Trooper Amos.

Lieut. Messenger said he heard a loud noise and thought that someone had a flat tire, and was unaware his car had been hit until called to it by Trooper Amos.

This accident brings to a total 131 accidents in Sedalia for the year.

Italy is First Topic of Big 5 Conference

U. S. Will Ask Italians Control Their Colonies

LONDON, Sept. 11.—(P)—Secretary of State James F. Byrnes told a press conference today that Italy would be the first topic for the conference of foreign ministers of five Allied Nations meeting this afternoon and that the atom bomb was not on the agenda.

The foreign secretaries of Russia, Great Britain, France and China are here with Byrnes, starting peace machinery provided by the Potsdam conference.

Byrnes himself did not say so, but it was understood that the United States would ask that the bulk of Italy's colonies be left under Italian control as trusteeships, with United Nations supervision.

It is expected that the Dodecanese Islands, off Turkey's west coast, will go to Greece. At the narrow of the Mediterranean—Pantelleria—the first island conquered by air power alone—probably will become either a British or international base. A strip of Italian Eritrea will be claimed by Ethiopia.

British Request

The British are expected to ask that a strip of Eastern Cyrenaica, Libya, be taken from Italy and placed either under international or Egyptian rule. The territory is inhabited by the Senussi Tribe of Arabs, whom the British have promised freedom from Italian rule.

Byrnes said he expected to remain in London two weeks and then commute between here and Washington. He talked with the British foreign secretary, Ernest Bevin, early today.

Byrnes said the future of Germany was not on the agenda for the meeting of foreign ministers, as drawn up at Potsdam.

The American said the main task of the foreign ministers is to reconcile various points of view.

Urgent Questions

Urgent questions were before U. S. Secretary James F. Byrnes, Britain's Ernest Bevin, France's Georges Bidault, the Soviet Union's Vyacheslav M. Molotov and China's Wang Shih-Chieh.

As the meeting opened, diplomats here expressed fear that unrest in Greece might touch off a general strike there and add to the formidable list of knotty questions facing the foreign ministers. This situation was considered especially serious since it comes precisely at the time Regent Archibishop Damaskinos is in London intent upon placing his country's views before the foreign ministers. The Greek attitude on the forthcoming Italian peace treaty is important, since the treaty is the first subject on the agenda of the meeting.

Call Meeting To Discuss GI Bill of Rights

Purpose is to Inform Employers Of Its Contents

A meeting for employers, civic organizations, and veterans' organizations and those interested in the GI Bill of Rights is to be held at the Ambassador room of the Bothwell hotel on Tuesday night, September 18. The meeting is sponsored by the Chamber of Commerce, in conjunction with the Veterans' Administration and the U. S. Employment Administration.

The purpose is to inform employers of the features and operation of the U. S. Employment service and the Veterans Administration, in connection with the GI Bill of Rights training, education and employment program.

Carl F. Haynie of the training division of the U. S. Veterans administration and a representative from the U. S. Employment administration office of service at Jefferson City, will be the only speakers on the program.

Brief Talks

It was explained the talks will be brief and to the point with thorough explanation of the bill. Following their talks the two speakers will hold an open forum at which time questions will be answered regarding the bill. Others who are interested in the GI Bill of Rights are also invited to attend.

Under the bill veterans can apply for training and will then be placed in various business houses, factories and other shops with the employer paying part of the salary and the government also giving the veteran an allowance. Other features are in regard to education and still another on employment of the returning veterans.

The special activities committee of the Chamber of Commerce of which R. M. Overstreet and Edw. P. Mulalley are directors in charge, is sponsoring the meeting and completing plans for the session.

End The Ban on Conventions Oct. 1

WASHINGTON, Sept. 12.—(P)—The ban on all conventions, group meetings, and trade shows will end October 1.

Announcing this today, the office of defense transportation said it asked sponsors of conventions, group meetings and trade shows to defer meetings whenever possible and keep necessary meetings small until after the peak of the troop movement early next year.

Tojo Was Sorry For People of Greater Asia

A Domei broadcast from Tokyo today quoted former Premier Hideki Tojo as saying after he shot himself: "I am sorry for the peoples of Greater East Asia. I will shoulder the whole responsibility. I hope they will not go amiss in dealing with the situation. The war of Greater East Asia was just a war. With all our strength gone, we finally fell. I did not want to stand before the victor to be tried as the vanquished. This is my own case. I wanted to kill myself at one stroke. I first thought of using my sword to kill myself, but instead I used the revolver for fear I might fail and revive."

The broadcast was recorded by the Associated Press.

Domei said Tojo asked for water at the close of his words and, with the glass at his lips, murmured: "I feel fine."

Released War Prisoner Forgives Wife

No Blame for Remarrying When She Thought Him Dead

KANSAS CITY, Sept. 11.—(P)—The snarled marital affairs of Mrs. Ann Birdwell appeared headed toward a happy solution today following word from her soldier-husband saying he doesn't blame her for remarrying as long as she believed he was dead.

"That's the best news I've heard yet. It's simply wonderful, it makes me feel much better," the 18-year-old girl who had married her husband's 33-year-old uncle said.

She was anxious to know if the 22-year-old flyer, Sgt. Gene D. Birdwell, has received any of the messages she had sent to him explaining why she married Jack Marshall, Wichita, Kansas, mechanic, only 12 days before she learned that Birdwell had been rescued from a Jap prison camp.

In Manila, Birdwell told Associated Press correspondent Fred Hampson he "wants to get home as quickly as possible."

No One To Blame

"I spent many hours in solitary thinking of a reunion with Ann after the war," Birdwell said, "I am so mixed up I don't know what to say but if I was reported dead and they thought there was no hope, well—I guess no blame can be placed."

"This is my affair, I hate to think of it being spread in the papers," he added.

He asked Hampson to transmit confidential messages to his wife and to his parents in Kansas City. He is pressing for a speedy return to the States and will probably head home by air within four or five days.

Birdwell had been reported killed in action over Borneo last September.

Mrs. Birdwell's marriage to Marshall was annulled in the Jackson county circuit court last Friday.

Japanese Bows Himself into Water

TOKYO, Sept. 11.—(P)—An effusive Japanese civilian bowed himself right off a dock into the water today, as crowds of Japanese turned out to greet the first American ship to tie up at a Tokyo dock since before the war.

The crew of the vessel, a small Signal Corps communications craft—the PCE 849—fished the dunked welcomer from the bay, while officers were greeted by Port of Tokyo officials.

Many of the civilians, attracted by the Stars and Stripes whipping from the mast, carried presents for the crew.

Col. Devereux Is Found Alive

OMINATO, Japan, Sept. 11.—(P)—Lt. Col. James P. Devereux, heroic marine commander on Wake Island, is alive and in charge of one of the prisoner of war camps in the Bibai area of Hokkaido island, five prisoners of war from the district reported here today.

The five who reached here from Bibai were Capt. A. N. Brown, U. S. army medical corps, Council Bluffs, Iowa; Pharmacist Mate William T. Sterling, Herington, Kas., Seaman first class James S. Burger, Farmville, Va.; Pvt. Jules L. Beasley, Burton, Wash., and Australian army gunner A. C. Growder of Ascot, Brisbane.

Fliers Locate War Prisoners

OMINATO, Northern Japan, Sept. 11.—(P)—U. S. naval fliers found 1,556 Allied prisoners of war today at four remote camps of mountainous Hokkaido and established radio contact with them.

Forty need hospitalization, the prisoners messaged. Supplies and medicines were dropped from carrier planes.

The headquarters camp was at Bibai; two others were located at Ashibetsu, and a fourth at Akabira. All were in a soft-coal mining district and the prisoners presumably had been forced to do hard labor in the mines.

Rescuers and correspondents estimated it would require three days, with the last 50 miles to Bibai covered in Japanese automobiles under Japanese safe-conduct.

Tojo, Who Plunged Japan Into War, Attempts to Kill Himself; Nimitz Going to Pearl Harbor

4,000 Prisoners of War Found in Kobe, Reported to be in Good Condition

Before the shooting of Tojo, former premier of Japan, today he twice opened one of the big sliding windows of his home, smiled his hard, chill smile at the officers, then slammed the window shut.

As the officers moved toward the door, they heard a shot fired. They broke in, smashed the lock on a second door inside, and found the wounded one-time terror of Asia.

General MacArthur's order for Tojo's arrest went to Japanese as well as Americans yesterday, but although Tojo's home was encircled by Japanese guards there had been no immediate arrest.

MacArthur did not say why Tojo was wanted, but he was listed unofficially as Japan's No. 1 war criminal.

Admiral Nimitz meanwhile formally confirmed reports he will move from Guam to Pearl Harbor "in the near future," and said the move was designed to facilitate transportation of released naval personnel to America.

The supreme Allied commander earlier sought to quiet Korean demonstrations against continuance of Japanese administration—under American control—by assuring Koreans that their rights would be respected. The Japanese kept in office, he said, were "only working for the Americans."

Spread Control

MacArthur's headquarters yesterday abolished Japanese imperial (military) headquarters, effected censorship of Japanese radio and press, and directed occupation troops to spread their control of Japan to inland-sea naval bases and Osaka next month. The Sixth army meanwhile sent units across Kyushu, southernmost home island.

Formal surrender of Japanese forces at Hong Kong was scheduled today near Victoria jail—in which a half-dozen Japanese already were held for war-crimes trials. On Mindanao in the Philippines, 9,500 Nipponese surrendered Saturday, and others at Wewak, New Guinea, will surrender Thursday.

In Kobe, rescuers found 400 Allied prisoners seeking 4,000—and Lt. Col. Walter E. Kargin of the liberation force said they were in good condition, that the Japanese cheered their departure, and that the prisoners shook hands with their former guards before leaving.

Filipinos Returning

Domei reported that Jose P. Laurel, former puppet president of the Philippines, would leave Japan for Manila soon "by request of the Philippines government," together with ex-speaker Benigno S. Aquino of the Philippines Assembly. Both are expected to be tried as collaborators.

In Washington, legislation to give the navy a peace-time strength of 1,079 ships was introduced. Pre-war strength was 272; current strength, 1,308.

MacArthur did not say why Tojo was wanted, but he was listed unofficially as Japan's No. 1 war criminal.

Admiral Nimitz meanwhile formally confirmed reports he will move from Guam to Pearl Harbor "in the near future," and said the move was designed to facilitate transportation of released naval personnel to America.

The supreme Allied commander earlier sought to quiet Korean demonstrations against continuance of Japanese administration—under American control—by assuring Koreans that their rights would be respected. The Japanese kept in office, he said, were "only working for the Americans."

Spread Control

MacArthur's headquarters yesterday abolished Japanese imperial (military) headquarters, effected censorship of Japanese radio and press, and directed occupation troops to spread their control of Japan to inland-sea naval bases and Osaka next month. The Sixth army meanwhile sent units across Kyushu, southernmost home island.

Formal surrender of Japanese forces at Hong Kong was scheduled today near Victoria jail—in which a half-dozen Japanese already were held for war-crimes trials. On Mindanao in the Philippines, 9,500 Nipponese surrendered Saturday, and others at Wewak, New Guinea, will surrender Thursday.

In Kobe, rescuers found 400 Allied prisoners seeking 4,000—and Lt. Col. Walter E. Kargin of the liberation force said they were in good condition, that the Japanese cheered their departure, and that the prisoners shook hands with their former guards before leaving.

Filipinos Returning

Domei reported that Jose P. Laurel, former puppet president of the Philippines, would leave Japan for Manila soon "by request of the Philippines government," together with ex-speaker Benigno S. Aquino of the Philippines Assembly. Both are expected to be tried as collaborators.

In Washington, legislation to give the navy a peace-time strength of 1,079 ships was introduced. Pre-war strength was 272; current strength, 1,308.

Before the shooting of Tojo, former premier of Japan, today he twice opened one of the big sliding windows of his home, smiled his hard, chill smile at the officers, then slammed the window shut.

As the officers moved toward the door, they heard a shot fired. They broke in, smashed the lock on a second door inside, and found the wounded one-time terror of Asia.

General MacArthur's order for Tojo's arrest went to Japanese as well as Americans yesterday, but although Tojo's home was encircled by Japanese guards there had been no immediate arrest.

Merry-Go-Round

by Drew Pearson

WASHINGTON, Sept. 11—Live wire Republican Senator Ralph Brewster of Maine recently telephoned hard working assistant secretary of labor Carl Moran, also from Maine, but a Democrat.

"Portland is among the nine distress cities of the country," Senator Brewster reminded Moran. "As you know, Portland shipyard workers have been dismissed from their jobs wholesale. Meanwhile, farmers up in Aroostook county can't get anyone to bring in their potatoes. What can you do about it?"

"What are they paying for farm labor in Aroostook county," asked the assistant secretary of labor, "Still four cents?"

"No," replied the senator from Maine, "there's a guaranteed wage of \$12 a day."

Assistant Secretary Moran said he would do his best to switch some workers up to the potato farms. However, he might well have replied that the labor department was in that name only and that it actually had almost nothing to do with labor.

For the fact is that, under Miss Perkins, the labor department was stripped of most of its labor duties. The war labor board is separate and independent, and most important of all, the U. S. employment service is under the war manpower commission. Thus, assistant secretary of labor Moran had to turn to an outside agency, the U. S. employment service, to try to get discharged shipyard workers to help harvest the Aroostook potato crop.

This, in turn, has brought out another difficulty affecting not merely Maine but the entire nation. Most war workers, drawing \$1 to \$2 an hour plus overtime and bonuses, don't want to go back to the farm and farm wages. The labor shortage on the farms, even after V-J day, is as acute as ever. Farm wages are higher than ever, though still a long way from shipyard and aviation factory pay. So, somehow or other, either farm wages must go up, or war workers must go back to less money on the farm. In the former case, the farmers will have to get more for their crops, which, of course, means a higher cost of living in the city.

Ambassadors' Wives
Last week's column reported that Mrs. Ed Pauley, wife of the U. S. reparations ambassador to Moscow and former treasurer of the Democratic national committee, was listed to receive \$25 a day expenses while accompanying her husband to Russia. Since then, I have received further information that Mrs. Pauley, although listed by the state department as an official member of the party, declined to accept the \$25 per diem. In all fairness, this should be set straight, and I am delighted to do so herewith.

However, I still believe it a highly debatable point, when a million or so GIs are not permitted to have their wives come abroad, that American higher-ups should take their wives with them to overseas war areas. After all, the average American soldier now occupying Germany or Japan has

MAN HAD BRICK IN HIS STOMACH FOR 10 YEARS

One man recently stated that for 10 years he felt like he had a brick in his stomach. This feeling was due to the lump of undigested food he always had inside of him. He was weak, worn out, headachy, swollen with gas and terribly constipated. Recently he started taking ERB-HELP and the feeling like a brick in his stomach disappeared the second day. Bowels are regular now, gas and headaches are gone and he feels like a new man.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERB-HELP. Sold by all Drug Stores here in Sedalia—Adv.

Action-Loving General Wainwright Feared He Might 'Miss the War' in the Philippines

"I have been with my men from the start and if captured I will share their lot," was General Wainwright's answer to a Japsurrender bid. not seen his wife for more than a year. But the U. S. ambassador, making a special trip to Moscow or London, is away from his family for only a few weeks.

When the Pauley reparations mission arrived in western Europe, the party was split up, because of limited accommodations in Moscow. One group, including some of the best experts on reparations, were told to remain in Frankfurt, Germany, because there was no room to house them in Moscow. But Mrs. Pauley, despite limited accommodations, went on to Moscow.

Later, she also visited Potsdam for the Big Three session. She was the only American wife present. Mrs. Truman and Mrs. Byrnes, wife of the secretary of state, remained at home. And during the last session of the Big Three, Mrs. Pauley sat in the gallery, a privileged witness to the historic ceremony. Many U. S. and British experts who had spent weeks preparing for this big climax and who had burned midnight oil whipping the agreement into shape, were barred from seeing the consummation of their work due to lack of space.

NOTE—On August 4, this column reported that the office of war information had given Mrs. R. A. McClure, wife of General McClure, a privileged job as receptionist in OWI's Paris office, thus permitting her to be near her husband in Germany. Immediately after publication of this disclosure, the OWI received an order from the White House that Mrs. McClure come back to the United States.

Pale Chinese Communism

Chinese Communist leader Tung Pi-Wu recently visited in Washington and was entertained at the home of Mrs. James Schram at a gathering including under secretary of the interior Abe Fortas, former assistant director of the budget Wayne Coy, Governor Rex Tugwell of Puerto Rico and

Nelson Poynter of the St. Petersburg, Fla., Times.

Most interesting part of the evening was the fact that Communist Leader Tung revealed that the chief objectives of his party were (1) Lower interest rates, and (2) Lower land rentals. That was about as Communist as the Chinese Communist party cared to go.

"Why that's reactionary," kidded Abe Fortas.

"It is true," admitted the Communist leader, taking this seriously, "that we are not as advanced as you are in this country."

Tung Pi-Wu was put through quite a cross-examination and came out with some unique answers.

"Suppose there should be a nation-wide Chinese election?" he was asked, "so that the people could vote for either the Communists or the Chiang Kai-shek government. Who would win?"

"Same like Mississippi, your country," was the quick reply.

"What's going to happen as a result of all these diplomatic missions?" Tung was asked. "First T. V. Soong comes here. Then he goes to Moscow. Then Ambassador Pat Hurley goes to the Communist headquarters. Then Mao Tse-Tung goes to Chungking. What's going to be the result?"

Tung Pi-Wu talked heatedly for about five minutes to his interpreter. A long and detailed answer seemed in the works. Finally the interpreter turned to the expectant audience and replied: "He say, 'Nothing happen.'"

Capitol Chaff

The shortening of the congressional recess, which was to last until October 8, has forced several congressmen to look for temporary lodgings in Washington. They had leased their homes for the anticipated recess period. Some, like Los Angeles' Chet Holifield, were foresighted enough to make advance arrangements to have at least a bedroom available

in the event they had to come to Washington. . . . Congressman Karl Mundt of South Dakota, one of the most vigorous Red-hunters of the old Dies committee, must be having his hands full. He's traveling in Russia. . . . Speaker Sam Rayburn has his left arm in a cast. He broke same when he was thrown from a horse while rounding up cattle on his Texas ranch. . . . Beateous Clare Boothe Luce is thinking of running for governor of Connecticut and her opponent might be OPA chief Chester Bowles. . . . Robert Hurley, ex-Governor of Connecticut, has already resigned from the surplus property board. The headaches were too much for him. . . . Congressional reaction to the appointment of Dean Acheson as under secretary of state has been extremely favorable. . . . House Republican Leader Joe Martin reports: "A study of legislative history reveals that the United States congress has never repealed social legislation."

Episcopal bishop of New York. To an intimate few of his friends who went through West Point with him, Wainwright was known as "Skinny." He was described as "tall, lean and wiry; a typical cavalry officer."

Foresaw Mechanization

Riding horses was his favorite sport. Wherever he was stationed he quickly established himself as the best polo player. He is also an excellent shot with a rifle and pistol.

When he got out of the academy in 1906, he was commissioned a second lieutenant in the cavalry. He stayed with it off and on until World War I. In 1918 he had risen to the temporary rank of lieutenant colonel, having served with the general staff of the 82nd division in the St. Mihiel and Meuse-Argonne offensives, and with the Third army in the occupation of the Rhine.

In 1931 he decided a new kind of warfare was developing. He knew motorized divisions were coming to take the place of horses, but hated to see it. He told a friend:

"All these years I've been getting bow-legged to fit a horse. I don't know how I'm going to fit a tank."

In that year he was graduated from the Command and General Staff School at Fort Leavenworth, Kas. In 1934 he completed the course at the War College in Washington, D. C., and then went through the Chemical Warfare school at Edgewood arsenal, Md. He always maintained a brilliant scholastic record.

Tough as promotions were in peacetime, he made full colonel in 1935 and brigadier general in 1938.

The usually unemotional war department records go all-out in giving him this description: "Natural leader, magnetic personality, clipped speech, good disciplinarian and popular with officers and men, alert, forceful and has plenty of confidence in himself."

Mild Tempered

No less enthusiastic, his friends describe him as a very pleasant-mannered, mild-tempered man with a good sense of humor. They say he is easy going at the right time and a tough disciplinarian at the right time.

His most historic pronouncement was made when the Japs sent their first bid for his surrender when he was trapped on Corregidor. He replied:

"I have been one of the battling soldiers of Bataan and I'll play the same role on the Rock as long as it is humanly possible. I have been with my men from the start and if captured I will share their lot. We have been through so much together that my

He had stayed away longer than he needed have, much longer, but at last he had come home secure in the knowledge that he appeared whole again. It seemed he could never grow tired of looking at the toes of his two shoes projecting from beneath his trouser cuffs. Two shoes—two feet. . . .

He had wanted to swagger just a little that first night of his homecoming. Thayer was overdue from the office and he stood up for 15 minutes before she arrived so that her first sight of him might be that way. He began to grow tired with standing.

He was momentarily shocked to see how pale and tired she looked when she came. She said, "Brook—you're back. . . ." and came toward him as if nothing had been wrong between them. He had been cautioned against too-swift movement; now he forgot. He never knew how it happened, how he slipped, blundered, caught himself and crashed foolishly into a sitting position in a nearby chair. Thayer cried, "Oh, Brook, are you hurt?" and he was right back where he had been on the night of his homecoming from Guadalcanal, imprisoned in a chair, looking up at her. Nothing was changed. Nothing.

His words were a command. "Stop the car, Moya." She obeyed with alacrity, turning in him in quick concern. "Is anything wrong?"

"Let me drive."

What Is Wrong When Prayer Fails?

Thirty years ago, in Forbidden Tibet, behind the highest mountains in the world, a young Englishman named Edwin J. Dingle found the answer to this question: A great mystic opened his eyes. A great change came over him. He realized the strange Power that Knowledge gives.

That Power, he says, can transform the life of anyone. Questions, whatever they are, can be answered. The problems of health, death, poverty and wrong can be solved.

In his own case, he was brought back to splendid health. He acquired wealth, too, as well as world-wide professional recognition. Thirty years ago, he was sick as a man could be and live. Once his coffin was bought. Years of almost continuous tropical fevers, broken

Ship's Motto is 'Pour it On'

IN THE PACIFIC—The call to load and reload supplies for a 1,000-mile run in four days is almost a routine order for Carl Albert Spellmeyer, shipfitter, second class, 204 East Twenty-fifth, Sedalia, Mo., and crewmen of the cargo clipper USS Megrez.

His ship, an attack supply ship of the Fleet Service Force, has been filling such demands since November, 1943, when she began operating with invasion forces in the Pacific.

The Megrez is the first cargo vessel to load dry provisions directly onto the decks of consuming ships. The procedure eliminates unloading at an island base before another supply trip.

A storehouse of jeeps, trucks, ammunition and lubricating oil, the cargo craft has taken part in many assault engagements where her gun crews have fought Jap planes while others of the crew discharged cargo.

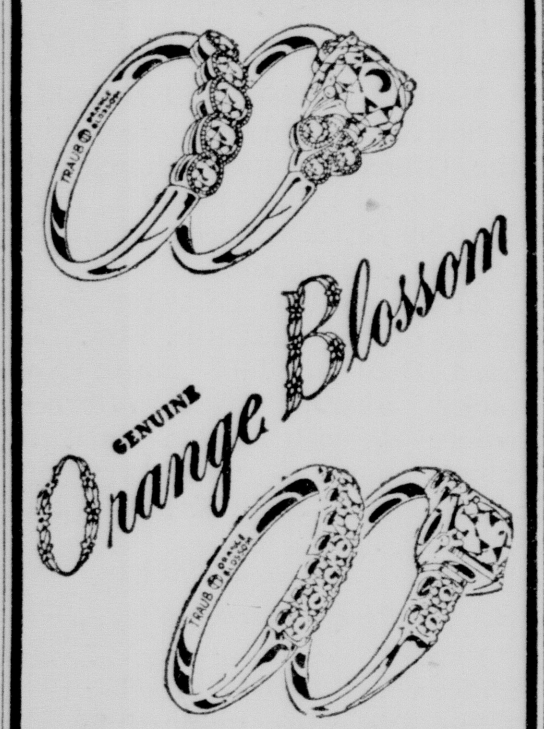

The Megrez' motto is "pour it on."

Changes in Some Rental Regulations

Tenants in the over-crowded districts of the Sedalia defense rental area must generally be given six months notice before being evicted from a house that has been sold to a person who wants to occupy it, according to James M. Robertson, district rent director. Formerly, a 90-day waiting period was provided in most cases.

"To protect tenants in areas where they cannot find rental housing in their price range during this critical transition period, the Office of Price Administration has tightened its eviction requirements," Mr. Robertson said.

"Recently, record numbers of sales of real estate involving rental properties, particularly single-family units have seriously reduced the number of houses available for rent. Families who are told to move become desperate because they cannot find another place to live. Often this results in the tenant buying a house he doesn't want and can't afford. Or, the tenant makes side payments to his landlord in evasion of rent regulations. The time extension should relieve this pressure."

"Certainly we do not want to delay new owners from occupying houses that they buy any longer than is necessary to give tenants adequate protection," continued Mr. Robertson.

Protect Servicemen
"Special protection is provided for returning servicemen who need to buy their living quarters. In their case, the waiting period may be waived or reduced, depending on the circumstances and needs in each case, so that returning servicemen and their families may be united again."

"Several other changes have been made to stop evasions of eviction requirements and to give tenants maximum protection without unduly curtailing the rights of owners over their properties."

Mr. Robertson also urged all tenants living in this rental area to notify the area rent office promptly when they are told that they must move.

"Evictions have been taking place at an alarming rate throughout the country. In the Kansas City area alone, they numbered 6,856, in the past six months," said Mr. Robertson.

T. L. Fairfax Now Captain

MCCLELLAN FIELD, Calif.—The promotion to the rank of captain of Thomas L. Fairfax, Jr., son of Mrs. Mary L. Fairfax of Clifton City, Mo., was announced today by the Sacramento Air Technical Service Command headquarters.

Capt. Fairfax entered the army as a private on June 8, 1941. He came to McClellan Field as an enlisted man in December of 1942 and after attending OCS returned here as a first lieutenant on November 13, 1943. His present assignment is officer in charge of Employee Relations Branch.

After graduating from Ottumwa high school, he attended Kansas City Secretarial school and before entering the army was employed by the Sheffield Steel corporation.

Filipino Quisling

"Ambassador" to Tokyo, from the Jap-sponsored Filipino quisling government, is Jorge Vargas. He's pictured in the Jap capital, during meeting with press correspondents.

Return From Old Mexico

Mr. and Mrs. Irwin Raut have returned to Sedalia after spending a year in Puebla, Mexico, and are now at their home, 703 West Seventh street. Mr. Raut taught a special course in English for business and professional men and women at the Instituto Mexicano Madero, in Puebla, and Mrs. Raut also taught a class of girls.

Miss Patricia Peithman of Kansas City, Kas., a niece of Mrs. Raut, flew to Puebla the first of August and returned home with Mr. and Mrs. Raut.

Mr. Raut stated that Puebla is a city of about 150,000, is interesting and historical. The people were very friendly and the sun shines every day there, but it was certainly nice to be home again.

SBA Council Has Election

Election of officers of the Queen City Council of the Security Benefit Association was held Monday night with the following new officers: Mrs. Mora Klein, president; Mrs. Stella Switzer, vice president; Mrs. Carrie Gilkey, second vice president; Charles Baughman, prelate; Mrs. Herman Myers, financier; Mrs. Frank Thomas, secretary; Mrs. Charles Baughman, conductress; Mrs. Grover Thomas, assistant conductress; Clyde Cartwright, guard; Dave Shippe, trustee.

Installation will be held at the first meeting in October.

A social hour followed the regular meeting with games and dancing.

In the Service

ABOARD THE USS WEST VIRGINIA IN TOKYO BAY—John W. Cowden, 24, yeoman, first class, USN, of St. Joseph, Mo., is nearing five years of service in the Navy, all but two months of which have been spent aboard this ship. He entered the Navy September 24, 1940 and was assigned to the West Virginia on November 13 of that year.

Cowden is the son of Mrs. Mary Cowden of Route 4, St. Joseph. His wife, Mrs. Helen L. Cowden, is a school teacher at Sweet Springs, Mo.

He was a sports star at Gower (Mo.) high school from which he was graduated in 1940. He played on this ship's football team which held the Northwest Pacific Coast service championship two years.

Traffic Cases

Traffic cases in police court this morning, which were disposed of when defendants forfeited cash bonds were:

Clyde Williams, 211 West Seventh street, W. E. Roach, 421 North Grand avenue, and Mrs. J. S. Bowman, 319 West Tenth street, one dollar each for overtime parking.

Clarence Moon, Hughesville, Mo., one dollar for double parking.

Grocery Store Entered

Police discovered the Henderson Grocery, Third street and Lafayette avenue, broken into about 2:30 o'clock this morning. A glass in the east door had been broken out.

A check revealed some pennies stolen.

The Neapolis lodge, No. 153 will meet on Tuesday night at 8 p. m. Will confer the initiatory degree. Refreshments.

Pvt. Gamber is Now in Manila

Mr. and Mrs. Clarence A. Gamber, 1900 South Kentucky avenue, have received an interesting letter from their son, Pfc. Clarence Gamber, who is in Manila, and whose wife and baby are making their home with them.

He writes he is well, and is certainly glad the war is over. He said he saw the Japanese driving into Manila to meet the Allies, and knew that on this occasion everything was O. K. They had two or three false reports, he writes, of surrender, and several were killed in the celebrations. He seemed to think it would not be many months before he returns home.

Pfc. Gamber entered the service December 17, 1942, and went to the Hawaiian Islands in May, 1943. He has been on several islands, and is now on his second assignment in the P. I. On the first trip he was sent to the hospital in New Guinea for treatment for his eyes, then returned to the P. I. and to Manila.

Navy Recruiter Here Every Tuesday

Navy Recruiting Stations all over the country are initiating an all out drive for voluntary enlistments, particularly in the Regular Navy, among men in the age group of 17 to 30 inclusive, who are eligible by Executive Order of President Truman. This order lifts the ban against voluntary enlistments in draft ages.

The Navy's recruiting drive is designed to speed demobilization of men with long war service, to reduce the Navy's calls through Selective Service and at the same time to enable the Navy to fulfill its extensive responsibilities through the transition period and beyond.

A Navy Recruiter is at the Sedalia Post Office each Tuesday at 11 a. m.

Starts Third Year of Action In the Pacific

WITH THE 32ND INFANTRY DIVISION ON NORTHERN LUZON, P. I.—Technician Fifth Grade William R. Peery, husband of Mrs. Edith Ann Peery of 1425 South Carr avenue, Sedalia, Mo., is starting his third year of overseas campaigning in the South Pacific. He is now serving on Northern Luzon with Company B, 114th Engineer Combat Battalion of the 32nd "Red Arrow" Infantry Division.

T/5 Peery entered the Army in February 1942 at Fort Leavenworth, Kansas, and received basic training at Fort Belvoir, Virginia. He sailed for the South Pacific with a replacement detachment in July 1943, and was assigned to the 114th Combat Engineers on landing at Australia. With them he has been fighting at Aitape and Saidor in New Guinea, in the campaign which smashed the Yamashita line at Leyte, and along the Villa Verde Trail in the Caraballo Mountains of Northern Luzon. He was twice wounded during the Luzon Campaign. Now the victory which he helped to win in the Pacific finds him hoping for an early return home, and a reunion with his family. He is the father of one child, Billy Lee Peery, aged one year.

Cpl. Peery's assigned duty with his company was that of bulldozer operator, a task of highest importance, requiring not only skill but a cool, steady courage. He wears the Asiatic Pacific Theater Ribbon with three stars, the Philippine Liberation Ribbon, and the Purple Heart.

His parents, Mr. and Mrs. O. L. Peery live at Knob Noster, Mo.

Variation of City Speed Signs Claimed

Motorist Claims He Was Not Violating Law

The charge of careless driving against Bon Burke, La Monte, driver of the 1940 Hudson sedan of Mrs. Edna Graves of LaMonte, which figured Sunday in an accident in the 2100 block on West Broadway, is to be dismissed city attorney William Ilgenfritz said today. Burke pleaded guilty to speeding in police court Monday afternoon and was fined \$25, but according to Burke's statement made today he did not plead guilty to careless driving.

Mr. Burke admitted driving 30 miles per hour and city attorney Ilgenfritz following the city ordinance which states the limit is 25 miles per hour, recommended the \$25 fine. However, since that time it was learned a sign posted at the State Fair boulevard and the city limits states "Speed Limit 35 miles per hour," and was posted there by the city several years ago.

Signs vary
Another sign on Broadway near Barrett avenue states "Speed Limit 25 Miles per hour." The fact that both signs apparently were placed there by city officials offers confusion to motorists residing outside of the city and it was said today by Mr. Burke that he intends to appeal.

Mr. Ilgenfritz learning of the two signs, said the city case would not stand in a higher court and he will recommend dismissal. He also will make a recommendation to the city authorities that some uniform signs be placed, or a change made in the city ordinance.

Milton Hinlein of the Terry hotel, whose automobile figured in the accident and who was charged with careless driving and Mrs. Forrest Kelly, 131 East Fifth street, who furnished bond as a material witness, were both released.

The police in making a report of the accident had stated Mrs. Kelly was arrested for careless driving when she should have been listed as being bonded as a material witness.

Want to Marry German Girls

By Daniel De Luce

BERLIN, Sept. 11.—(P)—American soldiers in growing numbers are applying in vain for army permission to marry German girls.

Both officers and enlisted men are among those who have filed written requests, but a welfare department official said "it probably will be a year yet before such weddings will be permitted by the higher command."

The policy advisers on Gen. Eisenhower's staff, however, already are studying the question of what to do about children born of the forbidden romances. A decision was said to be expected in about two weeks.

Maj. George B. Woods, Episcopal divisional chaplain of the 82nd Airborne Division, indicated the opinion of army clergymen. "We are strictly against 'shotgun marriages' and will protect any soldier from being forced into a union like that," he said. "But as for the couples that are convinced of their love, the army must eventually face up to the issue."

490th Bank to Join System

The Farmers Bank of Lincoln, which recently became a member of the Federal Reserve System, was chartered January 11, 1890.

It has a capital of \$25,000, surplus of \$25,000 and total resources of \$920,071.06. Its officers are: J. A. Autrieth, president; John W. Guthrie, vice president; S. O. Brill, cashier; A. D. Hunt, assistant cashier and Addie Love, assistant cashier.

The addition of the Farmers Bank of Lincoln brings the total membership of the Federal Reserve Bank of St. Louis to 490. These member banks hold over 70 per cent of the net deposits of all banking institutions in the Eighth district.

This is the fourteenth state bank in this district to join the system in 1945. Twenty joined during 1944.

Damage Suit Near Conclusion

The damage suit of E. G. Grace against the Union Electric Co. of Missouri, which has been heard before Judge Dimmitt Hoffman and a jury in circuit court Monday and today, is expected to be given the jury late today. Testimony in the case was completed shortly after noon today without the defendant presenting any testimony.

Instructions are being completed and arguments were started about 3 o'clock.

The plaintiff claims damages on two counts to his property in Benton county caused by flood waters of the Lake of the Ozarks in May, 1943. In the first count he asks damages amounting to \$1,100 and in the second count \$730.

BOOTS AND HER BUDDIES

Public Wants Standard Time

WASHINGTON, Sept. 11.—(P)—

The house interstate commerce committee voted unanimously today to do away with wartime at the end of this month.

The action, if approved by the whole congress, and such approval seems certain, would turn the nation's clocks back one hour.

The legislation provides for re-establishing standard time at 2 a. m. Sunday, Sept. 30, last day of the month.

Rep. Boren (D-Okla.) author of the measure, said he expected to bring it before the house tomorrow and predicted it would pass there without a dissenting voice. Daylight saving, or "wartime," was established by act of congress in January, 1942, shortly after the attack on Pearl Harbor. It was intended to increase the daylight hours for work, and to save fuel.

There has been wide public clamor for its abolition. Principal complaints received by congressmen were that in winter time, under the fast-clock system, children had to go to school in the dark, and farmers had to do their morning chores by lantern light.

Changes in State Laws

JEFFERSON CITY, Sept. 11.—(P)—Another step in revision of state law to conform with the new constitution was taken yesterday. The house advanced a bill revising assessment of real and personal property.

The important changes: 1. The state tax commission is required to furnish all necessary tax assessment blanks to the assessor at least 60 days before he must begin his work on Jan. 1 of each year. The bill enables the assessors to finish their work before appearing at county equalization boards' summer meetings when complaints of property owners are heard.

2. Any raise in assessment must be communicated immediately to the property owner.

An effort to lower assessment rates to 60 per cent of market value on real or income-producing tangible property and 25 per cent on personal property not producing income was voted down after a verbal battle between Rep. James P. Boyd (D) of Monroe county, sponsor of the amendment and chairman Emmett Bartram (R) of the taxation revision committee.

Bartram declared the lower percentages would only result in the counties increasing levies. Boyd said they would put a definite base under this type of taxation.

Funeral of Boonville Realtor Wednesday

BOONVILLE, Mo., Sept. 11.—(P)—Funeral services for Eugene A. Windsor, 75-year-old real estate dealer who died yesterday, will be held Wednesday.

Windsor, owner of the Chouteau Springs park east of Boonville, had been in business here fifty years before his retirement last January.

Exception to 'Drys' Letter

JEFFERSON CITY, Sept. 11.—(P)—Sen. H. R. Williams (R) of Cassville told the Anti-Saloon League and the W.C.T.U. on the Senate floor today "they would do well to mind their own business" instead of attacking a member of a state senatorial re-restricting commission.

The Republican floor leader took exception to a letter, made public yesterday, in which the two dry organizations demanded that George A. Rozier resign or be removed from the commission because of his alleged connection with liquor interests—a charge Rozier called preposterous.

"These self-appointed custodians of the public morals are going far afield when they step into senatorial redistricting, because it isn't a wet and dry issue at all," Williams told his colleagues.

"They are attacking a man whose reputation for honesty and integrity has never been questioned."

Report on Jap Demobilization

TOKYO, Sept. 11.—(P)—Admiral Halsey reported today that U. S. navy demolition units had destroyed 34 Japanese suicide boats and seven mid-range submarines, and had found five more submarines in the Katsura area since Sunday.

Third fleet and Eighth army forces landed at the Katsura naval base, on the east coast of the Chinese peninsula, Sunday to direct the demobilization of Japanese fleet units and shore installations there.

CUDAHY Plus Product

Women Reach **FIRST** for **QUALITY!**

CUDAHY'S DELRICH OLEOMARGARINE

So No Wonder Stores Run Out of **CUDAHY'S DELRICH MARGARINE**

Made with **SWEET WHOLE MILK***

Lucky ladies who have been able to get Cudahy's Delrich Margarine... anyone who has tasted its delicious richness... can tell that here is real quality.

Truly a Plus Product—Delrich is the achievement of tireless research and testing in the Cudahy laboratory. Delrich fulfills Cudahy's aim to develop a modern margarine of superior quality—a leader worthy of the Plus Product Seal! So, it is not surprising—that so many thousands reach for Delrich—that limited supplies (due to shortages) disappear so fast from the stores.

*16% of Delrich is sweet **WHOLE** milk with the cream left in! This is a "plus" you get in Delrich in addition to 9000 units of vitamin A... high food energy because 80% of Delrich is nourishing vegetable oil... ease of coloring... saving on ration points.

NOTE: Although it costs Cudahy more to make Delrich with sweet **WHOLE** milk, yet it is economically priced.

The Cudahy Plus Product Seal, shown above, is your guide to outstanding quality. Look for Cudahy Plus Products at your store!

Crash Didn't Stop Their Wedding

A broken leg sustained by J. Hal Burnham, 32, Kansas City, Mo., in a motorcycle-automobile crash didn't break his wedding date with the former Beatrice Caponetto, 21, Norton, Kas. Returning from Leavenworth, where he obtained marriage license, Burnham's motorcycle collided with a car and his right leg was broken. After Burnham received medical care, the couple was married in St. Margaret's hospital, Kansas City, Kas., where they are shown. (NEA Telephoto)

Fans Can't Blame "Happy" Chandler

WASHINGTON, Sept. 11.—(P)—Senator A. B. "Happy" Chandler says that if Washington wins the American league pennant, he is going to hot foot it for Kentucky.

Reason: Chandler has too many friends here who would want world series tickets and wouldn't understand why he couldn't supply them.

Besides being senator, Chandler is baseball commissioner.

Senators Miss Another Big Opportunity

Earl Caldwell Feeds Them Dose of Their Own Medicine: Cards Gain on the Cubs

By Jack Hand
(Associated Press Sports Writer)

Detroit remains out in front in the American league scramble today because Washington ran into a dose of its own night ball medicine in Earl Caldwell, a mid-night specialist from Chicago whose fast one dips and darts in the moonlight.

Six victories adorn Caldwell's 1945 record and every one has been under the beguiling influence of Mr. Edison's arc lights. But the big one came last night when he stopped the Senators just when they had a chance to catch the Tigers.

After routing the White Sox 10-4, in the first of a two-night doubleheader by the simple method of scoring seven times in the first inning, Clark Griffith's moonlight saying boys ran into Mr. Caldwell's magic and succumbed 9-4.

A win would have boosted the Nats into a virtual tie with the Bengals, although they still would have trailed by a couple of skinny percentage points, but the split left them a full game back.

All is not lost in the nation's capital, because Detroit heads that way this weekend but a golden opportunity had been missed. The Senators have only 14 more games to play to the Tigers' 18, five against Washington.

Detroit opened the most important week of its pennant drive without the services of Hank Greenberg who had a sprained ankle and Eddie Mayo who was suffering from a bruised rib. They must play nine games in the next six days, including three double-headers.

Steve O'Neill had to be satisfied with an even split in Boston yesterday and had to scramble to get that. After bowing to Dave Ferriss who notched his 21st triumph in the 9-2 opener, the Tigers just did shade Emmett O'Neill on a first major league hit by Eddie Mierkiewicz, a rookie just recalled from Buffalo. The score was 2-1, much too close for comfort for Stubby Overmire and Prince Henry Cana who relieved him.

The Yankees proved they are not as bad as their recent actions would indicate when they stopped Cleveland's Al Smith 5-1, on Charley Keller's grand slam homer in the seventh. Ernie Bonham's five-hitter did the trick. In addition to snapping a five-game losing streak New York took over third place by a percentage point over St. Louis when the Browns bowed to the Athletics 5-3, after taking the first game 3-2 on Vern Stephens' 21st homer.

Billy Southworth's persistent Cardinals continued to hang on Chicago's coat tails, knocking over New York 2-1 at night after Rookie Ed Wright of Boston shut out the Cubs 2-0, in the afternoon. The combination of events sliced the Bruins' margin to 2 1/2 which can easily become an even two if Brooklyn can hold a 10-4 lead for one inning Saturday when they finish off their suspended game with the Bruins.

Five more games between the Cards and Cubs in the final weeks of the season, probably will decide the issue. So far St. Louis has won 13 of 17 from Chicago. Harry Brecheen did the job on the Giants, a six-hitter, for his 12th victory. The crafty left hander has shown remarkable form since he shook the miseries out of his arm in mid-July, sweeping nine out of 10 and dropping only a 2-1 game to Boston.

Brooklyn squeezed past Cincinnati 3-2 with the help of rain that forced the game to be called in the eighth and resulted in postponement of the second tilt.

Stable-ization Note

Instead of giving tips on a horse, William Helis, who is noted for having paid \$66,000 for a nag that hasn't raced yet, gives a horse for a tip . . . at least, on closing day at Garden State park, Felix, the clubhouse steward, was proudly telling how Helis had promised to give him a horse—one that would win a lot of races . . . After vainly trying to decide which member of the big Helis stable it would be, Felix commented soberly: "I hope it ain't that Pericles."

Attending his first game as President of the United States Harry S. Truman behaves like an ordinary fan, as he sees Washington Senators trounce St. Louis Browns to hang onto heels of league leading Detroit Tigers. Upper left, the president explains a play to Mrs. Truman at Griffith Stadium in Washington, D. C. Upper right, he takes time out for refreshments. Lower left, a high foul causes the chief executive to crane his neck as his eyes follow the ball. Lower right, the Browns retired, the president sits back to relax between innings.

Les Webber was the victor over Ed Heusser.

Nick Strincevich tossed Pittsburgh to a 9-5 decision over the Phillies cut to seven innings by rain. A scheduled second game was put over until today.

NEW YORK, Sept. 11.—(P)—Neilson "Net" Poe won't be coaching the scrub football squad at Princeton this year—which doesn't necessarily mean that Charley Caldwell will have a pot' team. . . . It means that the family that was as much a part of Princeton tradition as Nassau hall, Prospect street on the duckboards on the campus walks in winter won't be represented for the first season in some 55 years . . . Edgar Allen, the eldest brother, was quarterback on Walter Camp's first All America team in 1889 and was such a terrific tackler that when a spectator asked if he was related to "The Great Poe"—meaning his uncle, the poet—a Tiger fan scornfully replied: "Why man, he is the Great Poe." . . . Then came Net, Arthur, an All-American in 1899 and a great drop kicker; freshman, who later coached the freshman teams, and Johnny, one of Princeton's greatest heroes of World War One . . . and what those five brothers did to Yale in their playing days still is mentioned only in hushed whispers around New Haven.

Missouri Will Get Wildlife Allotment

WASHINGTON, Sept. 11.—(P)—Apportionment of \$880,000 among 47 states for restoration and development of wildlife resources for the 12 months ending next June 30 was announced today by Secretary of Interior Ickes.

The federal funds are allotted on the basis of area and the number of hunting licenses sold by the states. The money comes from the 11 per cent tax on sporting arms and ammunition imposed under the Pittman-Robertson Act. States and territories participating in the program are required to contribute 25 per cent of the cost of wildlife development work.

Allotments, by states, include: Arkansas, \$11,195.68. Kansas, \$16,904.67. Missouri, \$21,812.29. Oklahoma, \$15,040.22.

Tonight is the night—the night wrestling opens its season in Central Missouri for 1945-46—the night which brings together in the State Guard Armory under the sponsorship of the Pettis County Post No. 16, American Legion, Marshall Esteppe, junior heavyweight champion of the world and Jerry Meeker, Columbus, O.

Although no championship is at stake tonight, Meeker knows a victory over Esteppe will help him in obtaining main event matches at various wrestling shows. Esteppe can depend on having plenty of opposition in Meeker.

The card tonight will see one of the largest men in the wrestling game, who has plenty of activity as a mat man and is no cinch in a match. He is Ben "Hill Billy" Morgan, from Rogers, Arkansas, and tips the scales at 320 pounds. Morgan meets Jack Schnabel, Detroit, who likewise is a large man and tips the scales at about 275.

Harold "Sonny" Myers, St. Joseph, is meeting Calvin Reece of Kansas City in the opening event of the Legion's card. Myers needs no introduction to local fans, having appeared here numerous times last winter and has given a good account of himself.

(1) The first artificially radioactive elements ever made were produced in Paris in 1934 by the daughter and son-in-law of Marie Curie, Irene Curie-Joliot and F. Joliot whose laboratory with its huge electrical equipment is shown above. To do this, they bombarded the elements boron, aluminum and magnesium with alpha particles, or the hearts of helium atoms. It is now known that radioactive forms of all the elements can be produced. Many of these already have become highly useful in medical and other forms of biological research. Radioactive sodium in table salt on a soda cracker, for example, can be followed in its course through the body, by the radiation it gives off.

WASHINGTON, Sept. 11.—(P)—Baseball Commissioner A. B. "Happy" Chandler announced today he has called a preliminary meeting on world series details here tomorrow at 10 a. m.

All teams still having a mathematical possibility of winning the pennant in both the American and National leagues have been invited to attend, Chandler said.

The Detroit Tigers and Washington Senators in the American League and Chicago Cubs and St. Louis Cardinals in the National League are expected to be the only ones represented, since the two pennant races have boiled down to those four.

Chandler said the opening date of the world series will be among the items discussed and that it probably will be set for October 2. Eligibility lists, seating capacities of the parks and selection of umpires are other details which will be considered.

The first three games of the world series will be played in the park of the American League winner and the next three games in the National League city.

Steak Dinner For The Eagles

Given Tuesday Evening With Several Talks

The Missouri Pacific Eagles football team of the Sedalia shops, Monday evening, enjoyed a steak dinner at the Interlude on West Second street, at which time the past season was reviewed in several talks given by guests and members of the team.

C. R. Kilbury, superintendent of the local shops, gave the principal talk and told of how the Eagles football team, "It seems," he said, "there was a little talk about a football team being formed. That was early in the summer, and like a snowball rolling down a hill, it grew bigger and bigger, until you boys turned out a real club."

"I appreciate the fine team work demonstrated among you men and the fine sportsmanship displayed throughout the season. You all worked hard and played hard to build a team and your endeavors were well rewarded, this being shown by the fine record the team made. Although I played a small part in the team you had my whole support, and it did me good to be able to talk about my team at Sedalia at a recent staff meeting."

Several Good Talks
P. R. Nichols, acted as toastmaster, at the dinner, and introduced Mr. Kilbury and others who spoke. Those who gave brief remarks were: Fred Rose, Chief Booster of the Missouri Pacific; Gus Shirley, the team captain; D. Kelly Scruton sports editor of the Democrat-Capitol; and H. L. "Hank" Williams, manager of the team.

During the talk of Captain Shirley, on behalf of the team, he presented to Manager Williams a leather sport jacket, and a small baseball bat.

Manager Williams during his talk presented three softballs which were autographed by all players to Mr. Kilbury, Mr. Rose and to T/Sgt. Luther "Luke" Hyatt who pitched for the Eagles this year. T/Sgt. Hyatt, a former star football pitcher of Sedalia, is stationed at the Sedalia Army Air Field. He also presented to each wife of the team members checks on behalf of the team.

Those present were: Mr. and Mrs. Kilbury, Mr. and Mrs. Rose, Mr. and Mrs. Nichols, Mr. and Mrs. Williams, Mr. and Mrs. Shirley, Mr. and Mrs. Scruton, Mr. and Mrs. Johnny Rush, Mr. and Mrs. W. E. Two Cars And A Truck In Accident

Two automobiles and a truck figured in an accident at Twelfth street and Crescent drive at 10:35 o'clock Monday night when the 1938 Plymouth fore-door sedan of Dan Smith, of Waynesville, Mo., was in collision with a truck of Alcoa Farms near Jefferson City, and a 1932 Plymouth coupe also figured in the mixup. The Alcoa truck was driven by H. Atkins and the 1932 coupe by John Allen Lucas. They were headed east and the Smith car had just made the turn going northwest.

The Plymouth clipped the rear fender of the truck which caught the body of the sedan smashing a front fender, breaking a spring and damaging the grill and hood. Mr. Smith was accompanied by Mrs. J. L. Hager, of Waynesville and they were en route to Excelsior Springs to attend a funeral. Their car being disabled they took a bus to continue their trip. An investigation was made by the police. Mrs. Hager received a bruised leg. No arrests were made.

Bridegroom Killed By Accident

EAST PRAIRIE, Mo., Sept. 11.—(P)—An argument over "who should sing what" resulted in the accidental fatal shooting of bridegroom Eston Cunningham, 24, by his new father-in-law, Will White, just a few hours after the marriage ceremony.

A coroner's jury late Sunday pronounced the shooting accidental.

Cunningham and 20 year old Willie Mae White were married Saturday by a justice of the peace, and the tragic accident occurred later that night when a group of friends decided to visit the bride and groom at the White home.

White told Prosecuting Attorney Tom Russell that he brought out his shotgun to persuade the

guests to leave after a heated argument started "over who should sing what."

In White's testimony to the coroner's jury he related that Cunningham grabbed the shotgun, and in the ensuing struggle for it

the gun went off, striking Cunningham in the abdomen.
